

A large white five-pointed star with a black outline is centered on a square background. The background is split into four quadrants: top-left is black, top-right is light gray, bottom-left is black, and bottom-right is light gray. The number '30' is written in a large, bold, black sans-serif font in the center of the star, with the word 'years' in a smaller, black sans-serif font directly below it.
